Matt and Keith,

Traci, aka Wonder Woman, gave me a wonderful report after her WCLI event in Virginia Beach, where she and Demetri wrote orders on 3 MD's.

With great pleasure I'll relay Traci's comments regarding what Demetri brought to the table. She stated that there wouldn't have been 3 deals without his assistance. Demetri hasn't even gone through training and has been on board for just 11 days but is already contributing in a big way, answering questions, having great enthusiasm, and constantly closing. I can't wait to see what he can do in the region once he goes through training in a few weeks.

Demetri-Great job! Keep it up as I expect big things from you...and you are beginning to deliver....
