Demetri, I am sitting here thinking, so I thought I would shoot this out to you and Adam.....I really liked the vibe at that WCLI seminar....Demetri for being so new to laser dentistry, you were really great.....I really liked how you and I worked together....Adam, I seem to be lining up events out east and with the new reps, having Demetri there is a big bonus.....He is persuasive and informative without being pushy. I have two WCLI's booked in January, one in Richmond with Traci on the 18th and one with Luke on 2-1 in Rochester....Demetri does it make sense for you to be at both of those,,,,,Traci I know is great.....Luke is new....let me know what you guys think.....Talk soon
